

Corporate Partnership Programme

Ending hunger together

Partner with us to help tackle hunger in Chichester District

At Chichester District Foodbank, we believe no one in our community should face hunger alone. With the growing pressures of the cost-of-living crisis, more families are turning to us for help. By partnering with us, your organisation can make a real difference in tackling food insecurity and poverty across Chichester, Midhurst, Petworth and Selsey.

What we do

We provide more than emergency food parcels - we offer hope, stability and long-term solutions. Our outreach initiatives address the root causes of poverty, empowering individuals and families to rebuild their lives.

Emergency food parcels

Last year, we distributed over 6,000 emergency food parcels, with over one-third going to children. These parcels meet immediate needs, including food, hygiene products, nappies, baby food, and even pet food.

Kids' Lunch Packs

School holidays leave many families without access to free school meals. Our Kids' Lunch Pack Scheme provides essential ingredients for 10 lunches, helping over 1,000 children each school break through partnerships with 57 local schools.

Outreach work

Beyond providing food, we provide services which aim to address the deeper issues of food poverty:

- Our dedicated Citizens Advice Adviser helps clients navigate benefit applications, housing issues, debt management and more.
- Our weekly 'Stand Stronger Together' event offers a warm and inclusive environment, opportunities to connect with others, and access to professional advice and support.
- During school holidays, we run free creative workshops and cooking classes to ease financial pressures while teaching budget-friendly skills.

The need in Chichester District

Economic instability, rising costs and housing challenges mean more families are struggling than ever. Partnering with us can help meet this urgent demand and provide a lifeline for those most in need.

Partner with us to make an impact

Our partnership programme invites local businesses to join us in supporting our food parcels and outreach efforts. By contributing, you'll help make a meaningful difference in the community while enjoying a range of benefits, such as social media mentions, promotion on our website and digital newsletters, engaging talks from our CEO, and opportunities for team volunteering days.

Every £30 contributed helps us provide:

- Emergency food parcels: Three days' worth of food and essentials for one person.
- Kids' Lunch Packs: 10 days of lunches for a child during school holidays.
- Outreach work: Enabling our Citizens Advice worker and supporting community events.

Sponsorship opportunities begin at 10 boxes. Your support will offer immediate relief to families in need while helping them work toward stability and self-sufficiency.

Feedback from clients who use our services

“

I am disabled, and life can be really hard, but these packs take a bit of the load off. They truly help and mean so much to us.

“

This was my first time using the Kids Lunch Packs scheme, and I was blown away by the boxes we received. They really helped me through a tight spot. Thank you!

”

“

I'm grateful for the food bank in times of crisis. When bills have been paid but I can no longer afford to feed the kids, this is a godsend. I'm massively thankful.

“

I found out about returning to work and how much I can earn before my benefits would be affected. It gave me an insight into returning to work and it didn't feel as daunting.

”

“

With the cost of living, trying to find things that are free for the kids is hard. This is a brilliant event.

“

I really like talking to people whose life experience is not too different from mine, and the sessions have felt like therapy for me.
