

Helping local people access emergency food and practical support

Getting support

Chichester District Foodbank works with partners such as **Chichester District Council**:

Register with them to receive **3 days of emergency food** for each family member from our food bank.

We can also provide hygiene items, laundry products, nappies and pet food.

Our friendly team can help you **get support** with issues like: debt, health, caring, housing or employment.

You don't need to be **claiming any benefits** to get a voucher or access support.

Giving support

If you would like to support **Chichester District Foodbank** these are the ways you can help us **make a difference**:

Buying a few extra items in your **supermarket shop** & dropping them in our donation basket on your way out.

Fundraising or holding a **food drive** at your work place or community group.

Donating money so we can continue running our vital **support & outreach groups**.

Joining our **friendly team of volunteers** - we have lots of roles available.
